

# BEYOND THE MASK

## YOUR STORIES SEEN AND HEARD

7:30pm Wednesday 5th May

1:30pm Friday 7th May

**Do you work in health care or a care home? Come and tell us about how the pandemic has impacted upon you.**

Watch as the actors improvise your stories and play them back as we co-create an online show. Playback theatre is a way of witnessing individual experiences whilst building group connection and understanding.

These shows will take place via Zoom and will be recorded for a short film that celebrates the dedication of the region's health and care staff throughout the COVID 19 pandemic.

*"This was a great way for us to share our stories with each other. I felt closer to everyone by the end."*

*"I was concerned about coming to this when I knew it was interactive ... to hear everyone else's hopes and challenges has been really helpful. I'm thankful for the opportunity."*

**Tickets are free**

**Places are limited to 25 for each show**
